Urban

Lakefront

Community

Living

Nestled on the east shore of Lake Woodlands, Oasis Pointe has brought a long awaited lifestyle to The Woodlands - Urban Lakefront Living. This 18 acre project with 2,300 linear feet of water frontage featuring 110 town homes and condominiums is being developed by McVaugh Custom Homes named Builder of the Year in 2005 by Builder Magazine and the National Association of Home Builders. The units are two, three and four bedroom one and three level plans, large terraces and many high end standard features.
